LION

JAMES SPKES

"Jole De Vivre" is the result of emotional, intellectual, cultural, physical and social fitness.

5/19/64

Dearest Love,

It is very sad, to know that you are leaving the great Moore High to all that you know, but it is ^{even} ~~so~~ more sad to me because I Love you so.

Reading this will not express my love ^{for} you because love is something no one can explain.

I wish you all the happiness and success in the future, and may God be with you. Keep these three precious words in mind as a token of my true love for you I Love You.

Remain Sweet, Loveable, and adorable as you have been since I've known you, for it was a long time before I found true love and I think and hope that I found it with you.

There isn't much I can say because I cannot express love in writing.

Good Luck

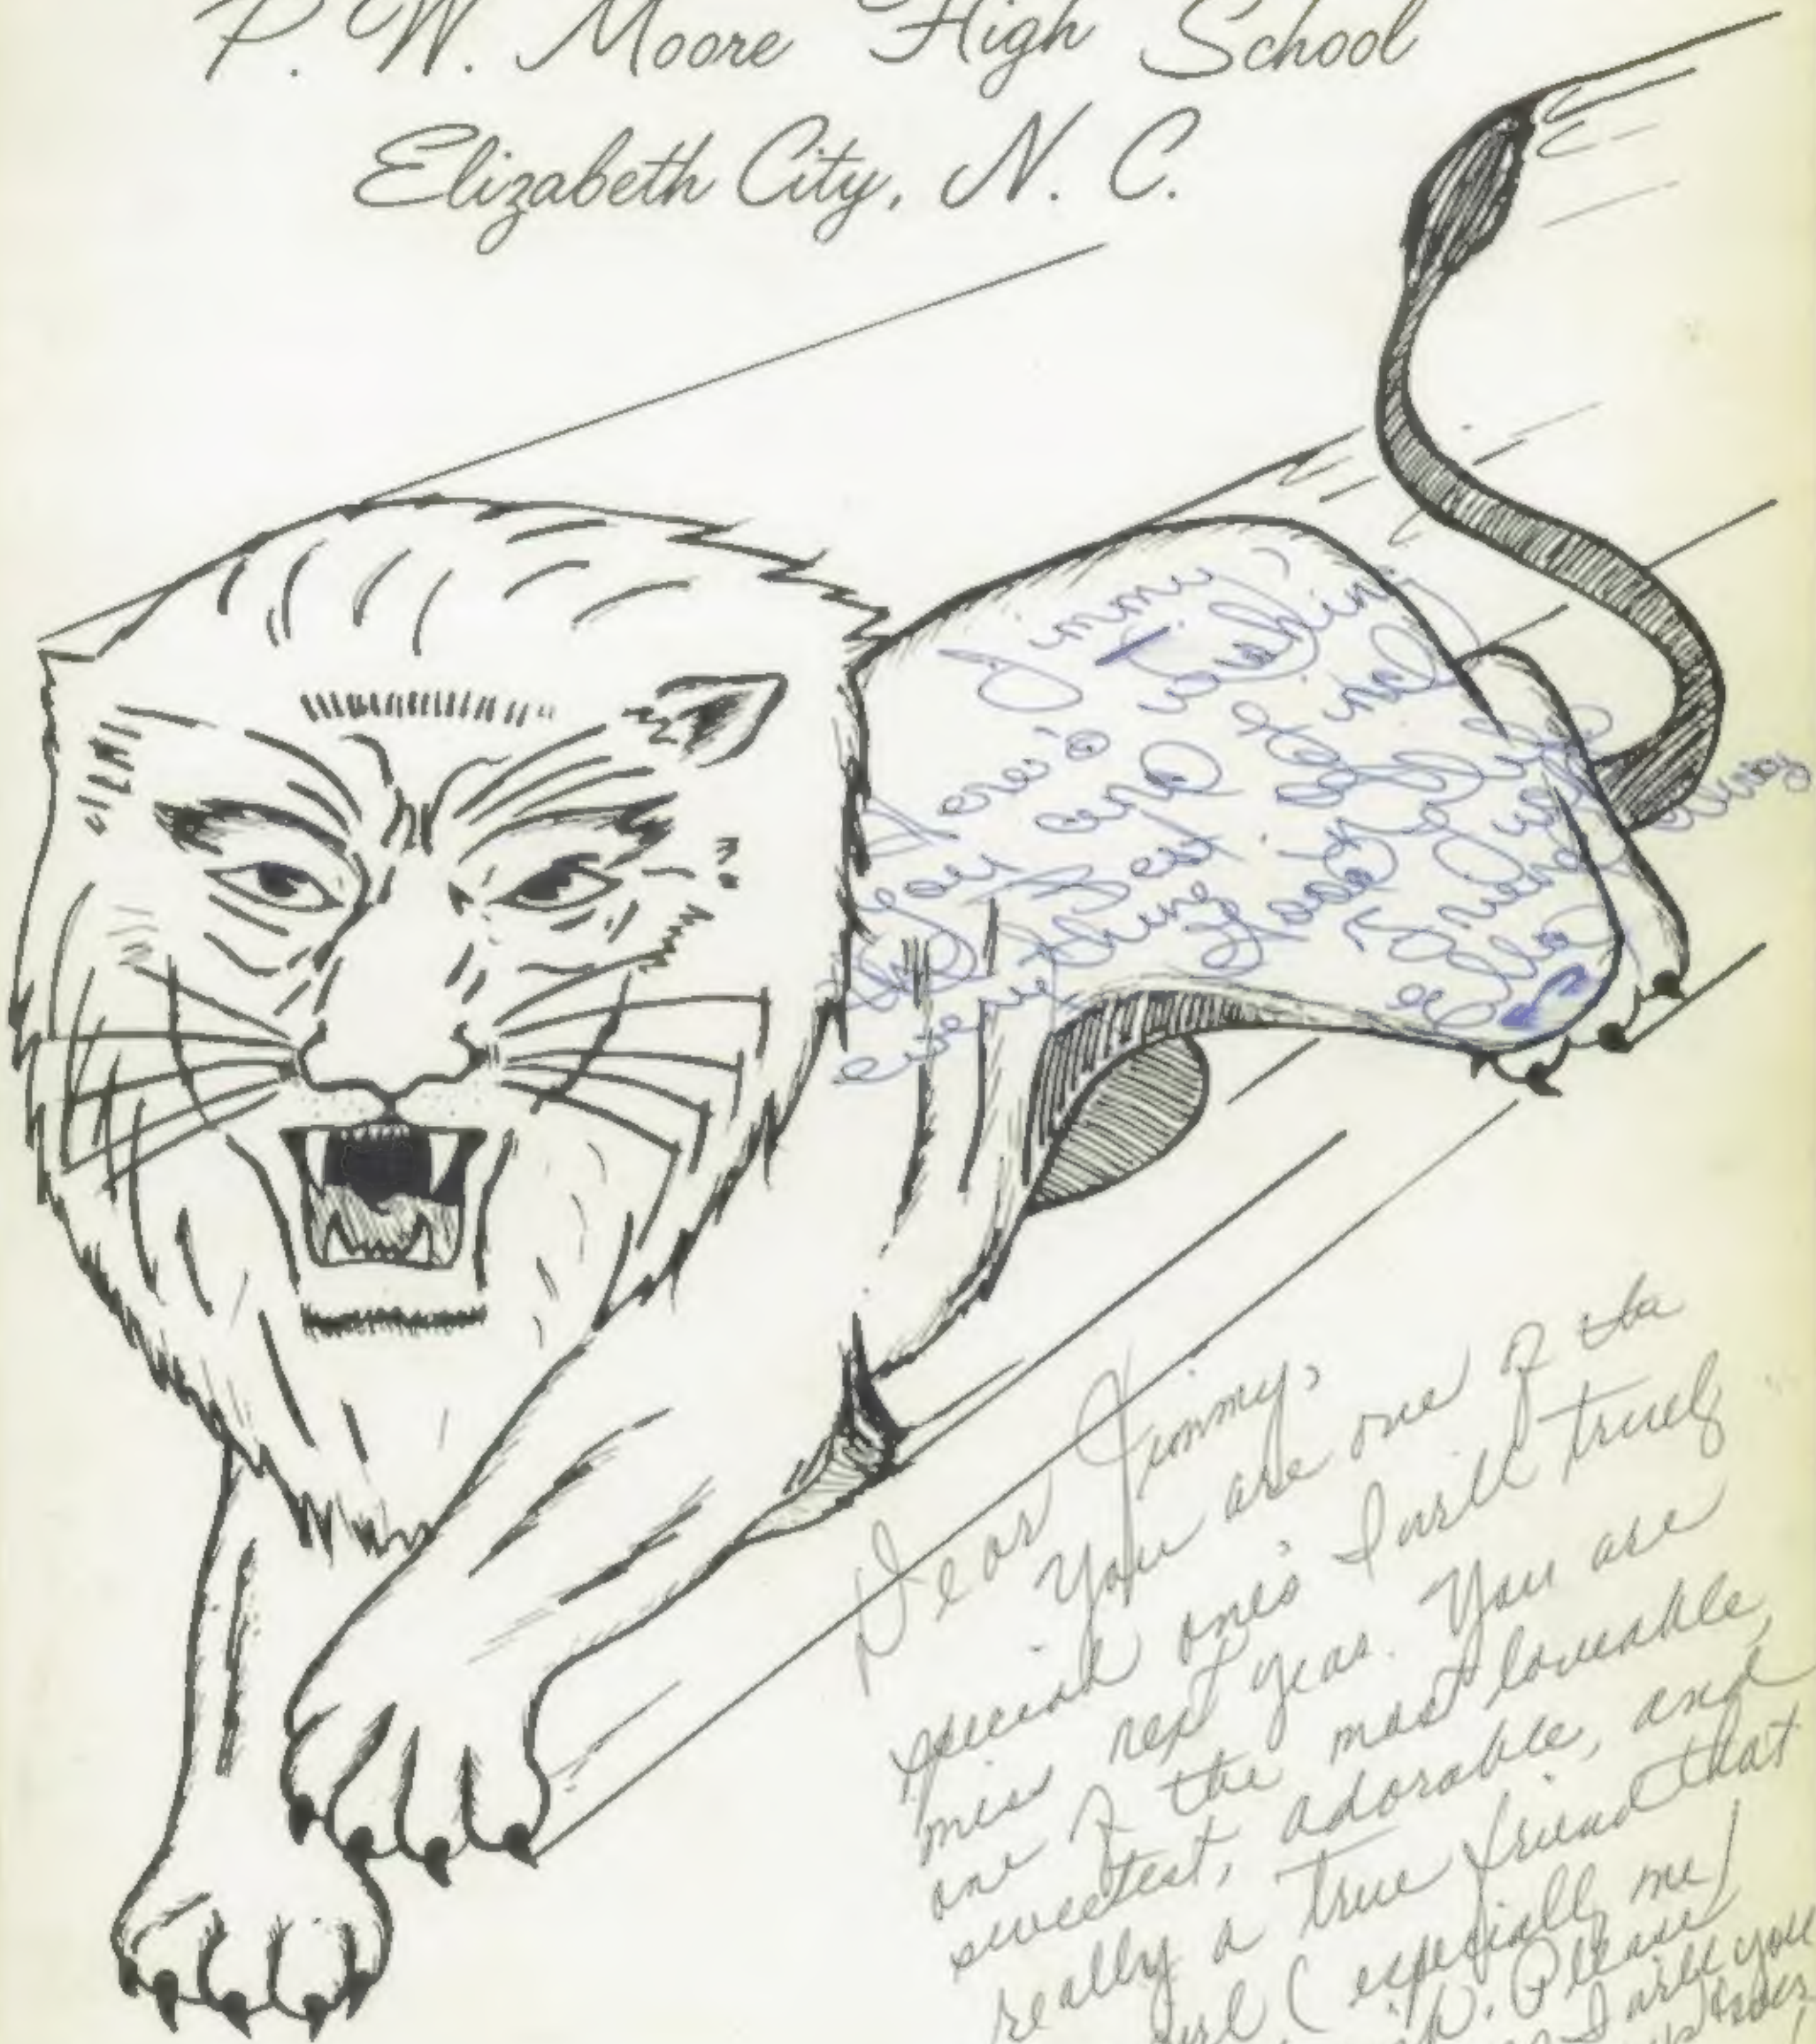

Forever yours
Linda Moran

P. W. Moore High School
Elizabeth City, N. C.

Dear Jimmy,
You are one of the
special ones I will truly
miss next year. You are
one of the most lovable,
sweetest, adorable, and
really a true friend that
any girl (especially me!)
will cherish. Please
remember me, as I will
remember you.
Always,
Dorothy

Jimmy (Eula)
It has been extra
sweet knowing you these
past years. You are a
grand fellow with lots
of humor. May the best
of life be yours. Thinking
of you always. Lots of
Luck. Lovingly yours
A Friend always
"Phyllis"

5/24/64
Dear Phyllis,
Through the years we have been
friends. May our loving hearts
have us still as friends. Remember the
good we've had together. (Ac.) Be seeing
you at A+J. Best of Luck in the near future.
Don't forget the prom parties (May 15th).
Friend always,
"Vickie"

Forward

Adjustment in a democratic society is predicated on the physical, emotional, social, intellectual and cultural fitness of the individual. The 1964 "Lion" presents a pictorial review of life at P. W. Moore Junior-Senior High School as preparation for democratic living is given our students.

Hi Dad,
May you have
all the success
in the world in your
future endeavors.
Your son

Dedication

"When sportsmanship is lost, all is lost." Victory should be the goal of all competition whether on the gridiron, behind the footlight or in the classroom, but victory alone is not enough. Victory with honor, or defeat with dignity is the result of placing sportsmanship above winning. This philosophy you leave as a heritage to our Alma Mater; therefore, it is with pride and admiration that we dedicate the 1984 "Lion" to you, Our Football Team, "Coeur-de-Lion."

The Epitaph

*Here rests his head upon the lap of earth
A youth to fortune and to fame unknown.
Fair science frowned not on his humble birth,
And melancholy marked him for her own.*

*Large was his bounty, and his soul sincere,
Heaven did a recompense as largely send;
He gave to misery all he had, a tear;
He gained from Heaven ('twas all he wished) a friend*

*No farther seek his merits to disclose,
Or draw his frailties from their dread abode,
(There they alike in trembling hope repose)
The bosom of his Father and his God.*

In Memoriam

In memory of a gentleman with a congenial personality, an average student, an amiable schoolmate and a great athlete, we take pride in writing this eulogy.

Eugene Sivils, Jr. (September 11, 1945-November 11, 1963), a student at P. W. Moore High School and a life-time resident of Elizabeth City, North Carolina, was accidentally killed after a hunting trip. This ended the short but eventful and rewarding life of one of the finest athletes ever to play on the gridiron of this school.

To describe such a person would take thousands of words, but to know him would take only a few minutes, for he possessed an extremely extroverted personality. To play on the same field with him was an experience in itself, for he was a dedicated athlete. In class, he was an average student working to his full capacity.

Toward his fellow schoolmates he was kind and friendly, and he mingled with everyone. He was indeed a likeable companion.

We use one page to eulogize him; however, within this page are the hearts of many who mourn the loss of "Gene", as he was affectionately called.

Administration

John Fitzgerald Kennedy - ardent exponent of physical fitness among American youths and martyr in the fight for democratic living for all.

Our Principal

PRINCIPAL'S MESSAGE

To the members of the Class of 1964

The time has come when you must say a
bye to your school, your teachers and
friends.

I do hope that you have not spent twelve years
in your preparation for life or higher education
and have not learned how to get along with
people.

I realize that during your last year here, one
of the greatest tragedies occurred on November
22, 1963. Our beloved President John F. Kennedy
was killed. This great man had faith in the
American People and truly he had faith.
Because of his faith in you and the American
People, I am asking that whenever you enter the
game of life, go into it with clean hands, a clean
heart and an open mind and I will assure you that
whatever you attempt to do, regardless of how
humble it might be, you will be successful.

We trust that as you go out in life that you
will never forget your parents and what they have
tried to do for you.

 Charles

Figure 1 shows a schematic diagram of a two-dimensional lattice. The lattice is represented by a grid of points. A central point is labeled '0'. Points are labeled with integers from -5 to 5 in both the horizontal and vertical directions. The horizontal axis is labeled 'x' and the vertical axis is labeled 'y'. The lattice is shown as a square grid of points, with the central point being the origin.

1. *Phragmites australis* (Cav.) Trin. ex Steud.

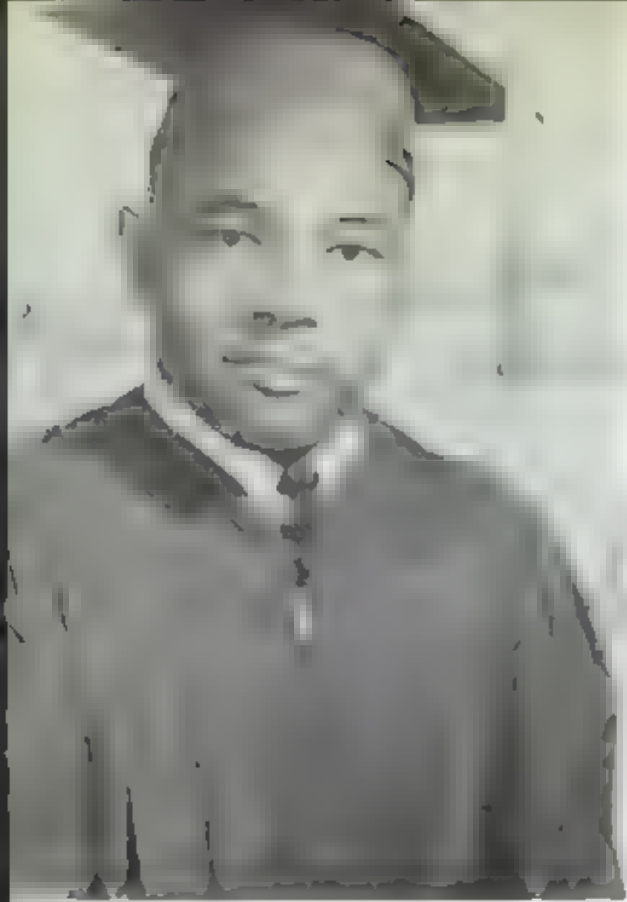

Amb + on Barber
"Look into the future to

A power law model is fitted to the data. The model is given by $y = ax^b$, where a and b are parameters to be estimated. The log-likelihood function is $\ln L(a, b) = \sum_{i=1}^n \ln f(x_i, y_i; a, b)$. The maximum likelihood estimates of a and b are found by maximizing the log-likelihood function. The log-likelihood function is a function of a and b . The maximum likelihood estimates of a and b are found by maximizing the log-likelihood function. The log-likelihood function is a function of a and b . The maximum likelihood estimates of a and b are found by maximizing the log-likelihood function.

P.W. MOORE JR. GRADUATE SCHOOL

Class History

of being high school freshmen.

The majority of the students came from the Pasquotank County Elementary School and the Junior High Department of P. W. Moore, but a few came from the local parochial school.

Our officers for that year were: President, Lillian Butts; Vice President, McKinley Boston; er, Marlene Williams.

We were a group that enjoyed extra-curricular activities. From the class, 35 girls became was favored with 13 freshmen. There were 3 elected to the Student Council and 5 joined the Social Science Club. There was only 1 to join the basketball team. The girls must have been who wanted the football team to become stronger. Only 2 joined the Drama Society.

Our freshmen sponsors were: Mrs. M. M. McCleese, Mrs. E. P. Jones, Mr. J. J. Mitchell, Mrs. J. Cooper, Mrs. W. M. McLean, and Mr. C. L. Foster

looking and acting like freshmen and we were ready for work.

We elected our officers from the start: President, Phyllis Walton; Vice President, Melody Wallory.

were favored with members from our class.

Sponsors for that year were: Mr. T. V. Beasley, Mr. C. L. Foster, Mrs. M. M. Moore, and Mr. W. A. Hunter.

Felton; and Reporter, Marlene Williams.

the Math Club were juniors.

Class History

Jackqueline Hoggard and McKinley Boston were chosen as the most outstanding Girl and Boy player of the year in basketball.

On May 24, 1963 we sponsored a very successful Junior-Senior Prom. Our theme was "A Night In Outer Space."

Junior sponsors for the year were; Mrs. R. P. Cooper, Mrs. G. O. Barcliff, Mrs. E. L. Harris, and Miss G. M. Joyner.

And then come September, 1963. This year we entered the portals of Moore High being much more advanced than we had been as "green" freshmen, "wise" sophomores, or "ranking" juniors. Thus, did we organize as the Senior Class of "1964" and elect the following officers: William Skinner, President; Phyllis Walton, Vice President; Rosa Riddick, Secretary; Francine Johnson, Assistant Secretary, Shirley Falton, Treasurer.

Having distinguished themselves by leadership and outstanding achievement we had a large number to participate in extra-curricular activities. The stage will long remember Riddick, Walton, Brickhouse, Hill, Boyd, Etheridge, Blount, White, Williams, Hoffer, Hinton, and others as actors and actresses. Of course we also had a great number with musical talent and a song in their hearts. Parker, may your musical talents live on in Moore High! The names Boston, Sivils, Perry, Moran, Johnson, Rouson, Etheridge and Webster will always be remembered among our golden greats.

On October 17, 1963, Miss Phyllis Walton reigned as Miss P. W. Moore. Miss Emma Lamb, Miss Shirley Falton, and Miss Marie White were her attendants.

On November 22, 1963, we had ten lovely and graceful girls to represent us at the Alpha Alpha Debutante Ball. Miss Marlene Williams was runner-up.

In December, five of our top Seniors boys were chosen to participate in the Senior Shrine All-School basketball tournament. Etheridge, George Johnson, and Calvin Webster. McKinley Boston was runner up for the most valuable player award.

Mr. J. E. Barnes as our advisors.

because of the training we have received at our Alma Mater.

Class Historians:

Athletics

Thus We Remember "Gene"

I, Ernest Rouan, Center for the P. W. Moore High School Football Team think of Eugene Devila as a good friend. He and I played and talked together in many friendly ways. Eugene was also a hard worker on the football team. I have seen times when he was really hurt and still he wanted to play. Many boys would like to get hurt and wouldn't want to play for about a week, but Eugene was not like this. He was a very good friend of mine.

Ernest Rouan

Eugene Devila was the type of person with whom you would like to play. He was the type of person that loved the game and enjoyed playing with the fellows. He showed interest in the team by working diligently and always trying a little harder to improve. "Gene" was also a person who showed interest in the members of the team. For example, when I was hurt he would help me with the treatment that I was taking. "Gen." was a wonderful person and a true "Pion".

Calvin Webster

I think Eugene Devila was a very co-operative boy. He tried to do his best in everything he did on the football team. He came to practice on time. I think everyone on the team liked him. Sometimes, I thought he tried to do more than his share. I think all of his teammates and friends will never forget him. Always he will be a dear friend.

James Perry

Eugene was a fellow with lots of fun in him, but he could be serious minded when it was necessary. He was the type of player on the football team who gave every thing he had when he carried the ball. In spite of his many good characteristics, there was one shortcoming in him; he, so often, couldn't remember his plays. However, it was good to have him as a friend and as a teammate.

McKinley Boston

"Gene" was a humorous boy. He made friends easily and was a playful person. He was one of our better football players who always encouraged others to try to make the team.

Marvin Kiddick

Eugene Devila was one of the best friends you could find on or off the football field. He was always eager to help someone else do his best. Whatever he did, he did his best.

Lenny Jackson

Eugene Devila will long be remembered around the portals of P. W. Moore as a great competitor. His having never given up the struggle to win will serve as an incentive to others to remain in the "thick of the fight" regardless of the outcome. Gene won many and lost a few but always played a great game.

Mr. W. H. Hunter Jr.,

Coach

The late Eugene Devila was a great athlete and loyal friend to all his team-mates. His death is a great loss to the athletic world.

George Spencer

Eugene Devila will always be remembered as one of the great "Pion" backs. His team-mates respected him and loved him; his opponents respected and feared him.

Lawrence Dugg

Eugene Devila did his best on the football team, in school work, and in other things in which he participated. He was a great athlete and a good friend.

Leo Spencer

"Gene" was a very good football player although sometime he had difficulty learning his plays. For this we all joked him. He would have been one of the coaches' favorite contenders for the Shrine Bowl, for not only was Gene a good player, but he could also get along with other players and people in all type of activities. As neighbors and good friends we grew up together and belonged to the Boy Scouts, Boys' Club, Glee Club, junior varsity basketball team, and the same social groups in which he was well known and liked.

AUTOGRAPHS

Skyles,
During the last
four years I enjoyed you
so much and of course I will miss
you in the near future. Remember
our trip to D.C. You are one out of
a million in which I'll never
forget. I hope you have
pieces in the future.
Yours,
Class of '64

Sykes,

Even though we can't get along
together; I can certainly say this:
you are a swell person and a swell
classmate. I want to take this
time out to wish a dear friend
much luck in the near future.

A Dear friend
Always
Annie B.

"Joie De Vivre" is the result of emotional, intellectual, cultural, physical and social fitness.
